

Dear Friend:

Living in Twinsburg has been, by-far, the greatest adventure of my life. My wife Colleen and I are always able to find something new to do here, and in the rest of Northern Summit County. Part of the reason I created my blog at www.jonahpichette.com was to share the joy we experience living here.

I always tell my friends, and family members that their next home needs to be here in Northern Summit County, specifically, Twinsburg. Because as I previously mentioned, there is no reason someone should not be able to find a group, event, or activity to engage with. Whether you find your metaphorical second home to be the Nature Center at Liberty Park of the Summit Metro Parks, the [Twinsburg Native Habitat Association](#), one of the Boards or Commissions here in [Twinsburg](#), [Reminderville](#), or [Macedonia](#), or just in the [fantastic businesses and restaurants](#) nearby, I am sure you can find something.

I am someone who gives 100% to everything I do, and I hope that comes across genuinely. Whether I am in the classroom making sure Government and Civics comes easy to understand for the next generation of Americans, serving on the City of Twinsburg's Environmental Commission making sure that the City remains *Naturally Beautiful*, or doing charitable work, public service is my passion.

There is so much going on here and around us. I hope you enjoy this edition of the newsletter, follow me on [Instagram](#) or add me on Facebook to stay up to date with what I am doing, and where I will be.

If I can ever be of help, or you are looking to make a new friend here in Twinsburg, feel free to reach out!

Sincerely,

Jonah T. Pichette

Annual Shred Day

It's that time of year again, The City of Twinsburg's annual Shred Day is coming soon! Mark your calendar for Saturday, June 14th, 9am-12pm at the Twinsburg Public Works building (10231 Ravenna Road). Residents of the City can bring up to six boxes or bags of paper material to be shredded onsite, and later recycled. This helps support the mission of the Environmental Commission, and protect you in the process. A few quick reminders, please remember paper should **not** be pre-shredded, your boxes or bags should **not** have anything except paper in them.

Spree for All!

If you're like me, when the weather warms up you can't stand to be inside. Luckily, The Summit Metro Parks are hosting their 22nd annual *Spring Spree for All*. I completed the Spree two years ago and had a great time getting out and about on the trails around the County!

The event runs May 1 - June 30th. The objective is to complete five hikes between those open dates on five different, or same trails to receive a reward. First year hikers will earn a lanyard and commemorative pin, while returning hikers will earn a pin. This event is free for county residents to participate in. Out of County residents can still participate, they must pay \$10 (new hikers) or \$5 (returning hikers) to receive a reward. You can sign-up at <https://www.summitmetroparks.org/spree-for-all/>. Rewards can be redeemed until August 15th at Liberty Park Nature Center in Twinsburg.

Memorial Day

Memorial Day - A day off that many spend with family, and friends cooking out and having a campfire. However, Memorial Day is meant to be far more than hotdogs, friends, and fun. Memorial Day is a somber reminder of those who made the ultimate sacrifice, giving all, for us to live as we do.

Every year in Twinsburg, the VFW Post 4929, in conjunction with the Twinsburg Rotary and City host a Memorial Day Parade and Service. This year was extra special as the parade kicked off with a C130 flyover. After the parade concluded, crowds gathered on Church Street where the service began. It was a very moving ceremony, and with the new location on Church Street I felt we all were able to more closely gather and appreciate the event for what it was. Photos of the event are included for your viewing.

Dates to Put on Your Calendar

Shred Day, Saturday, June 14th - At the Public Works Department from 9-12. Residents can bring up to six boxes or bags of paper to be shredded on site. See Above for more info.
