

Dear Friend:

This time of August is one of my favorites of the year. Summer starts to change to fall, just as the leaves will soon change color; students begin to head back to class just as I prepare to welcome them into mine. As an educator, *what we teach* can change year after year depending on what our Administrators, or School Board decides for us, however, *why we teach* is often the same.

At the end of July, 200 copies of the U.S. Constitution, the textbook I have used in my Government and Civics class for the past years. I figure, if we are to learn about our Republic, we should read straight from the source. I purchase these pocket Constitutions so each one of my students can have a copy to read, annotate, and keep for themselves when they are done with my class.

With school starting, I find it's also an important time to remind everyone of something I believe to my core. I believe that if you have the ability to do good things, and you have the opportunity to be a good person, you are obligated to try. All of my students hear my mantra "be a good person, do good things" throughout the year because I believe it is the cornerstone of a positive world. I type that here and now because unfortunately, not everyone believes the same. The other week I was the victim of a hit and run, luckily Colleen and I were not injured, and we were not in the vehicle at the time, but the damage was extensive with no note left.

Thankfully, I was able to find help at [Caliber Auto](#) who got my car repaired before the start of the school year. It was just disheartening to return to my car like that after a date night.

So with that, please enjoy the rest of your August, be a good person, do good things. Let me know if I can do anything else to help you.

Sincerely,

Jonah T. Pichette

Rotary River Run 2026

Thank you to the Rotary Club of Twinsburg and Twinsburg CERT (Community Emergency Response Team) for putting this on and supporting year after year, I had a great time.

I always say that seeing Tinkers Creek, and all the wildlife that calls it home from a perspective we normally don't, is truly something special. In many ways, though, that's just Twinsburg. We're surrounded by nature and wildlife every day, and taking the time to slow down and appreciate it, like we do during the river run, is what makes experiences like this so meaningful.

I'm already ready for next year!

New Businesses in Twinsburg

It was an exciting day in Twinsburg on August 6th! I started the day at Heritage Coffee in Twinsburg for their ribbon cutting ceremony, then headed on over to Pelican's SnoBalls Twinsburg for their grand opening where I got a watermelon shaved ice to help beat the heat! Genuinely excited to have these two places opened in Twinsburg, and to hopefully become a regular patron!

Twins Day Recap

The Twins Days Festival 2026 was a fun one!

Twins days is one of those things that helps to make Twinsburg the special place it is. Seeing so many friends, business, community groups like the Rotary Club of Twinsburg and Twins at the parade and festival is always something I look forward to.

While marching with Chuck Bonacci in the parade, I met Twins who came all the way from Australia and was able to share with them that my sister is currently living there!

There are so many pictures out there from wonderful photographers, but here are some I have saved through the course of the event.

Twinsburg Historical Society - No Fuss Fundraiser

When you think of “Twinsburg” what images pop into your head? Surely there’s a flashback to any number of the Twinsday parades, your favorite park, restaurant, and Township Square? What about the Freeman Barn near the square? The historic Freeman barn is quintessentially

Twinsburg, in my eyes. As a Government and History teacher, I believe it’s important to preserve the history of our town whenever possible.

[The Twinsburg Historical Society](#) is launching a No Fuss Fundraiser to help raise the critical dollars needed to preserve one of Twinsburg's historic structures. The No Fuss Fundraiser allows residents to contribute what they can, whether it’s \$20, or \$2,000, while knowing they are truly making a difference. As the Historical Society works towards their goal of \$50,000, money received through this No Fuss Fundraiser will be used directly for preservation efforts, including needed maintenance, weatherproofing, and more. If you are interested in contributing, you can mail a check to the Twinsburg Historical Society at 8996 Darrow Rd., Twinsburg, OH 44087. Alternatively, you can donate directly to their PayPal, [linked here](#), or by scanning the QR code in the flier. Consider donating today to The Twinsburg Historical Society (a 501(c)3 Charitable Organization), and help preserve a part of Twinsburg’s History.

School and City Calendar

There is always so much going on within the City and School district it’s hard to keep track of everything. If you’re like me, you’re sometimes planning things months in advance and it helps to know what is happening ahead as soon as possible. With the start of a new school year upon us, I wanted to try to provide a resource to anybody who may need it.
